CHAIR MASSAGE (15 MIN.)

RAINDROP TECHNIQUE (60 MIN.)

Sequence of nine therapeutic grade essential oils applied along the reflex points of the feet that correspond to the spine and "dropped" along the spine and worked into the skin to stimulate every organ, muscle and bone of the body at a cellular level; boosting the immune system and enabling the release of toxins.

SPECIALTY TREATMENTS

CRANIAL SACRAL THERAPY (30/60 MIN.)

Light touch approach that releases tension deep in the body, working with the soft tissue of your brain and spinal cord to reduce stress on the central nervous system. Eliminates pain and stress, strengthens resistance to disease and enhances your health and well being. Effective for all ages.

CUPPING THERAPY

Cupping Therapy can be used to move stagnation, relieve inflammation and drain/move fluids. Massage Cupping bodywork is also used to lift and stretch soft tissue (muscle, fascia/connective tissue and attachments), separate tissue layers, release and soften scar tissue and increase hydration of tissues.

Facial Cupping eliminates build-up of wastes and fluids in the face and neck, smoothing out the skin and helping to drain the sinuses. This action is cumulative, a series of 1-2 treatments per week with a full series of 8-10 in a month. Afterwards once a month for maintenance.

Magnetic Micro Cupping for pain management and injury. Body tissues respond magnetic therapy including bone and nerve tissue. the magnetic are used to change the charge of injured tissue from positive to negative, this allows the tissue to enter the healing phase.

VIBRATIONAL SOUND THERAPY (30/60 MIN.)

This therapy combines powerful vibration and ambient tones to induce an immediate relaxed state. While in this relaxed state, the body is then able to heal itself. The therapeutic bowls are placed at specific points and rung with a gentle strike.

FACIALS
